

PAM CARTER

Pam,

It was great doing
Alice and M*A*S*H
with you. You really did
a great job with the cos-
tumes - believe me, you
were greatly appreciated!!
It was fun all those
times in rehearsals staying
up late and running our-
selves ragged! Hope to see
you this summer.

Love and Aloha,

Susan

P.S. Remember Kinnear's
dumb class ??!

Pam,

I'm glad I met you
you're such a nice girl.
What a coincidence!
You went to Monte
Vista, my boyfriend's
high school! It's a small
world, I'm probably going
back to SD for school
next year but I'm not
sure. I hope I see you
this summer! Take
care!

Love always
Margaret
Higdon

WE ARE . . . CHILDREN OF

Pam,
Well it's been
a crazy year
but it sure has
blazed by! It
was fun getting
to know you through
(our favorite class)
Geometry and
Alice and of
course MASH
We had a blast!
And a lot of
good memories
are left behind!
Have a great
summer! See ya

Love,
Jill

I have a dream for you and I,
 A paradise...cloudless skies
 Colored by rainbows
 White birds, butterflies, flowers,
 And fields of lush grass
 There's a sense of - freedom
 No hate
 Just love

For you and I
 I have a dream

He's a surfer
 His love is the sea
 All he wants out of life
 Is to be free
 His friend is the sun
 It lightens his hair
 It darkens his skin
 That was once so fair
 The sand is a remembrance
 Of a place he calls home
 The beaches of the island
 Where he loves to roam
 Fellow surfers admire him,
 They make him feel proud
 They cheer him on
 'Cause he's the best in the crowd
 The wave is his pleasure
 He rides it in perfect grace
 Flying through the tube
 As sprays of water splash in his face
 I am his woman
 I make him feel strong
 He is so beautiful
 With him I belong

Well, Sam, school's out! Now
we all get to party and
play! Anyway, it was great
knowing you, so have fun

ASSEMBLY

Many Fridays this year were devoted to assemblies. The gatherings included performances by the Kailua Madrigals as well as special groups as the Cook Island Dancers and school spirit competitions between classes. Cheerleaders, athletes and student government officers were the main participants in most of the 1978-79 assemblies. Most important, however, was that assembly days made all classes 10 minutes shorter.

Clockwise from upper left top: Donna Kayehara is a picture of total absorption at a Friday assembly; the intent faces of students watching the Cook Island Dancers; Shawna Ngum doing a hula for the student audience; cheerleaders work up enthusiasm for a spirit assembly; a moment from the Cook Island Dancers performance.

LUNCHTIME

In addition to munching out during the 40 minute lunch hour, Kailua's students were entertained by music in the courtyard by KHS radio disc jockey, Rob Haas. Lunch was a time in which students relaxed and enjoyed themselves as a break from class routine. The cafeteria wasn't the only place that got business. Many students also went into Kailua town to McDonald's, Taco Hut, A & W and the Sub Factory.

Clockwise from upper left: Students mingle at the entrance to Kailua's cafeteria. Rob Haas, school D.J., conducts his radio show during lunch. Kenny and Pisa at a noontime cake eating contest. Lisa and Angela take time to flash smiles during lunch. Student disappears behind a bubble during a noon bubble blowing contest.

HOMEcoming

This year's homecoming queen was Cathy Ahana and king was Zachery Himan. Cathy was crowned on October 13 at a mid-day assembly. The parade was held on Saturday, October 14 and the seniors won the trophy for the Best Overall float. The homecoming game against Kahuku was held on Saturday after the parade. Unfortunately the Surfriders lost 20-6.

Kailua High School's drama department put on two plays during 1978-79. These were "Alice in Wonderland" and "M*A*S*H". In the winter production of "Alice" the leading role of Alice was played by Michelle Wilkins and the production was headed by Joy Coppel. Other leading roles were The Red Queen played by Jill Boyer and The Queen of Hearts played by Olive Zanakis. "Alice in Wonderland" also included musical numbers and dancing. Musical number were accompanied on the piano by Rose Fenton.

"M*A*S*H" was presented by Kailua's drama department in March. Mrs. Coppel revised M*A*S*H to match the TV series by adding the role of Klinger to the production. Hawkeye was played by Roger Ladzenski.

HANGOUTS

Students at Kailua hang out in a variety of places. Here are some of the more respectable ones

SPECIAL PROGRAMS

Community Quest (CQ) is a classroom that extends further than the campus of Kailua High School. It allows selected juniors and seniors to go to various learning stations off campus and yet earn high school credit. This year CQ has 61 students in the program with over 150 volunteer learning stations. CQ this year is directed by Diane Santiago and Carol Yoshinaga.

Academically Talented (AT) was developed as a program to provide opportunities and experiences for students to develop the full potential of their individual talents and learning goals. There are privileges that come with AT, but students in the program have the freedom to produce quality projects. This year AT has 44 students and is headed by Drake Beil. The program is open to juniors with a high academic potential. To qualify for AT a student must be gifted, talented, self-motivated, pass an interview and screening test as well as have parent recommendation.

Distributive Education Club of America (DECA) is designed to meet the needs and interests of youth who desire practical job experience as their career objective. This program, under the direction of Mrs. Mitsuko Nagaishi, allows students to become responsible citizens and better employees as a result of actual on-the-job experiences.

Chris Scholes does some personal research for an AT project.

COMMUNITIES

Kailua High is made up of a diversity of students. Also differing are the communities that each of the 1900 some Kailua students come from. Pictured on these pages are some views of the communities from which Kailua High School draws its student body.

Clockwise from right: map of Oahu showing Windward areas 1) Kailua 2) Pohakapu 3) Keolu Hills 4) Waimanalo 5) Maunawili 6) Olomana Enchanted Lakes-Kailua. Waimanalo, Keolu Hills-Enchanted Lakes; Olomana-Pohakapu Kailua, Olomana-Pohakapu Maunawili Enchanted Lakes-Kailua

Christmas was a time of dancing and concerts. There was some apathy in the fact the Christmas door contest was canceled. On these pages are a few of the Christmas activities held at Kailua High before the break of December 16 - January 2.

CHRISTMAS

AMERICAN FIELD SERVICE

Kailua's foreign exchange student program American Field Service (AFS) is one of the most active groups on campus. A few of their activities, aside from the weekly Tuesday meetings, were car washes, Christmas caroling, community work at the Hula Bowl and camping. Kailua's foreign exchange student for 1978-79 was Tassos Kallantzis from Corfu, Greece. Tassos' main interest was soccer. He spent his AFS year living at the Speake's home in Kailua.

Clockwise from the left: Carlos Orlando Munoz (Kailua 1977-78 foreign exchange student) and Mr. Shakenberg (AFS advisor for 1977-78) at the airport as Carlos returns to his home in San Salvador, S.A.; AFS Christmas carolers gather for picture taking; Kailua-Kalaheo AFS members and workers after a long day at the Hula Bowl; Tammi Bonner and Celeste Naeole at a Tuesday AFS meeting; Tassos, Greek exchange student, in practice for Kailua's soccer team; AFS clubs exchange conversation at the AFS Christmas party at Bellows; Mrs. Butler (1978-79 AFS advisor) and June Grimes at an AFS meeting (center page 38); Celeste, Tammi and Jeannette at an AFS Tuesday meeting (center page 39); and David AFS chapter president Roger Ranta with Kalaheo club member Leonard Orta at the Hula Bowl concession stand.

HAWAII JUNIOR MISS

Lori Solodyna was Kailua High School's contestant for the 1979 Hawaii Junior Miss Pageant. Contestants were judged on poise, appearance, talent and an interview. Although Lori made the semi-finalists, she did not get the final crown. She felt she gained a lot of self-confidence in the contest.

Upper left: Lori Solodyna performing on stage; upper right: Lori in her interview; bottom: the contestants for the Junior Miss Pageant.

WEEKENDS

Weekends of Kailua High students are varied. It would take almost an entire yearbook to show all of the various activities. Typical of the year were disco dances at the cafeteria or the 23rd Step club, or concerts in the school gym with talents as the Madrigals or rock concerts at Blaisdell Center or clubs. A weekend might even consist of simple pleasures as watching a sunset or moonrise

THE FUTURE

ADMINISTRATION

Mr. Albert Minn, principal

Aloha Surfers. Another school year has passed already

Participation and enthusiasm were the focus for the 1978-79 school year. Academically and athletically, we had many successes due to your involvement and achievements. We have worked together as a family of students, teachers, and parents. I hope as we look back and think about the events which have taken place in our lives, especially at Kailua High School, that there will be many memories of good times and friends.

To you Seniors who are leaving, I hope Kailua High School has played a meaningful part in your life. You have made the Class of 1979 one of the most notable in recent years. We all wish you the best of everything in the future and hope you will return to visit Surfrider Country.

To you Juniors, Sophomores and Freshmen, I hope you will look forward to becoming involved in making Kailua High School even better than it is today. You have already spearheaded many important activities this school year and I hope you will continue your efforts.

It has been my pleasure to work with all of you, and I thank you for your contribution. I look forward to seeing you again in the near future.

To the Class of 1979, pleasant memories, and to the rest of the school, let's use 1978-79 as a mirror for the future.

Have a happy summer!

Aloha

Albert Minn

Football Candids 78

Kailua's Varsity football team had a disappointing year with a record of 4 wins and 4 losses. The players were physically prepared but not mentally. A major strength of the team was the experience of the defensive line with returnees from last year. Outstanding players on this year's team included Mike Overholt, Phillip Wang, Zachary Kalama, Ken Sasaoka, Zachary Himan, Richard Orgeles, Pisa Tupai and, a very outstanding player on the defensive line, Hamilton Choi. Prospects for next year are good with 30 returnees.

Clockwise from right: Hamilton Choi, Mike Overholt, Zachary Kalama, Ken Sasaoka, Zachary Himan, Richard Orgeles, Pisa Tupai and, a very outstanding player on the defensive line, Hamilton Choi. Prospects for next year are good with 30 returnees.

J.V. FOOTBALL

The main objective of the Kailua J.V. football team this year was to learn the basic aspects of blocking, passing, and running. The greatest weakness was an inexperienced offensive backfield. But as a whole the team was a well disciplined ball club. Next year there will be a number of ninth grade returnees to help boost the team.

CROSS COUNTRY

Even though the majority of the 14 member cross country team were underclassmen, they managed to have a great season. With outstanding returnees Scott Jefferis and Craig Kimsel and new additions Jay Tansley and Ray Sauter, the boys team ran their way to second place in the Eastern Division. Renee Moxy, the most outstanding girl runner, helped take the girls to a fourth place finish

BOYS' VOLLEYBALL

Coach Buddy Keala states that the volleyball team this year was young and inexperienced. He hopes for improvement next year.

Michele Lono spikes it to the Castle Knights, team picture (see identifications on opposite page), conference for a planning strategy during a time out, Tiki Thomas serves an overhand, center picture. Ulan Kaonochi bumps it to help Kailua beat Castle.

The record stands (see the statistics page) and the positive aspects of this season were often due to the great number of returnees. The same, or better, prospects face next year's team with a number of returning underclassmen.

SOFT TENNIS

This year's soft tennis team had a terrific season. The team developed well during the season and everyone worked together as a family. A major strength was the good morale that helped the team through the season. A weakness that was felt was the minimal selection of boys during tryouts. Prospects for next year will be good with more players coming from the intermediate school.

GIRLS SOFTBALL

Starting with a nucleus of nine returnees from last year's team and the addition of six incoming freshmen and one sophomore, Kailua's girls softball team went on to win the Windward District Championship with a record of 10 wins and 1 loss. With a solid infield of Darnell Franco (first base), Lisa Ginoza (second base), Johnna Vegas (third base), Arleen Franco (short stop), Sal Jordano (left field), Lisa Goo (center field), Robin Goring (right field) plus the outstanding battery of pitchers Melvina Apo, Chandra Griep and catcher Pam Pinto. Kailua went on to score 102 runs while limiting the opponents to 12 runs. Next year the team will miss, through graduation, the defensive plays of the starters, Arleen Franco, Johnna Vegas as well as Sal Jordano (with her great defensive plays in the outfield) and the long ball hits of Kawehi Pires. Next year's team should again have a successful season with 12 returning lettermen.

Clockwise from right: Joelei Asagra winds up for a strike out, the Kailua team has a huddle on the pitcher's mound. Darnell Franco hits a line drive strike three coming up (center) Pam Pinto returns the ball to the pitcher.

BASKETBALL-79

The Surfriders had a rebuilding year following the graduation of 9 seniors. Leading the return of 5 seniors were co-captains Bruce Goto (who was converted from forward to guard) and Joe Mokulehua, the only occasional starter. Goto was looked to for board strength and as an inside scoring threat. Clarence Sardinha, a 6 foot senior forward and excellent jumper, played well this year after only playing in two games the previous year.

The key to Surfrider's success was the usage of effective new faces and those players up from the Jayvee. Most promising former junior varsity players were center Jason Strickland and guards James Gasmen and Stephen Travis. Promising new faces were guards Pisa Tupai and Bill Boyd, a 6 foot forward transfer from Texas. At all times the team tried to play good basketball.

Clockwise from upper right: Bill Boyd shoots over the St. Louis defense. Coppin Colburn who seconds later, made the free throw. Jason Strickland puts up a shot over the opposition of Mary Knoll. Joe Mokulehua makes a jump shot. Kailua's bench watches intently as the teammates score down court. Waianae's defense could do nothing to stop Kailua's Clarence Sardinha. Coppin Colburn driving around the St. Louis defense. Greg Arcibal shooting for 'two' against Waianae.

J.V. BASKETBALL

This year's junior varsity basketball team was made up of 7 freshmen and 9 sophomores. Six of these sophomores - Roland Mahiai, Steven Willet, Chuck Auld, Mark Nakatsukasa, Joey Joyce and Scott McCoy - were returnees from last year's team. The success of our season was due to these returnees along with the rest of the players who sacrificed many long hours practicing basic basketball fundamentals and displaying outstanding teamwork, attitude and sportsmanship during the season

GIRLS BASKETBALL

The girls basketball team has had a third successful season. With eight returnees on this year's squad, success depended on the leadership of senior Arleen Franco and junior Keone Choy Foo. Other returnees included seniors Tiki Thomas, Mona Souza and Kawehi Pires; juniors Mary Akimo and Jolynn Colburn; sophomore Laurie Pauahi.

WRESTLING

This year's team consisted of 12 wrestlers. Although the team was small in numbers, we were very strong in heart and desire.

During the pre-season, half of our wrestlers placed in the HPA wrestling tournament. We had a few good returning wrestlers who placed the previous year in the OIA and State and helped us during the season.

Wrestlers who did well were George Smith, Arthur Sickles, Todd Foster and David Larsen. They helped our team score points in various tournaments.

SWIMMING

Led by captains Jode Davis and Fumi Hasegawa, Kailua was well represented in swimming in 1979. Outstanding performances were turned in by Tracey Wright, Debbie Krueger and Kipp Dye. I attribute a great deal of our success to positive thinking as in the poem "Think and Grow Rich."

If you think you are beaten, you are
If you think you dare not, you don't
If you like to win, but you think you can't
It is almost certain you won't
If you think you will lose, you've lost
For out in the world we find
Success begins with a fellow's will
It is all in the state of mind
If you think you're outclassed, you are
You've got to think high to rise
You've got to be sure of yourself before
You can win a prize
Life's battles don't always go
To the stronger or faster man
But sooner or later the man who wins
Is the man who THINKS HE CAN

SOCCER ^{††}

Each day that we fail to do our best we lose something that we can never get back. We must make every effort to do our best, not because of others, not because someone wants you to or not because someone else expects you to, but because of the personal satisfaction and pleasure we get out of doing things well done and to the very best of our abilities. We, as Kailua coaches, believe that discipline, fundamentals and team work and effort are the foundations of a great team.

WEIGHT-LIFTING

Kailua's weight-lifting team consisted of Adam Duncan, Brian Kunioka and Blake Medeiros. The lifters trained toward the state high school championships. Their training consisted of lifting every other day for 1½ hours. They participated in various meets during the year to gain experience before the state meet. In competition it takes a great deal of concentration and it is about 80% psychological and 20% physical. Kailua's team lifted in three categories: dead lift, bench press and squat lift.

Clockwise from right: Adam Duncan squats over 400 pounds. 1st row: Brian Kunioka, Blake Medeiros. 2nd row: Adam Duncan, Brett Medeiros (coach). Kevin Kunioka deadlifts over 300 pounds.

MARATHON 78

At 6.30 Sunday morning, December 11, 1978, three daring, brave souls from Kailua High School put on their running shoes and proceeded to rejoice in their masochistic ways. The three were Scott Jefferis, Jay Tansely and Jeff Bishop; the only representatives from Kailua High School to attempt the 26.2 miles of the Honolulu Marathon. At left, Jay Tansely finishes in a time of 3 hours, 20 minutes and 55 seconds. At bottom left is Scott Jefferis who came in a close second for Kailua in 3:21:11. At bottom right is Jeff Bishop who came in at an impressive 3:56:14.

GOLF

This year's golf team had two returnees from the previous year. The returnees, Gavin Tablada and Mark Chun, were joined by two new members, Cliff Crawford and Kurt Fukamoto. A major weakness on this year's team was golfers plagued by scholastic eligibility problems. Despite the problems Kailua's team had done well by this writing.

BOYS TRACK

It was a year of "building up" for Kailua's boys track team. With an unusually small team, the objective was to build for coming years, but using some good placing performers as returning state champion Zachary Himan and Marcus Weight as well as first year hopeful Jay Tansley.

Clockwise from right: Lester Young passes the baton to Steven Travis in the mile relay, Robert Yamashita prepares to throw the shotput, Dwayne Eguchi breaks the tape in the 440 yard run, Marcus Weight, Steven Travis, and Zachary Himan sprinting in a 220 yard dash, Jay Tansley and Scott Jeffers warming up during practice, Lee Blomquist sprints in the 440 yard run.

GIRLS TRACK

As the boys track team, the girls were also looking toward the future as these pages were being compiled. The girls trained many hours after school in hopes of making a good showing at the state finals. Some of the glory and agony of the training routine are shown on these pages.

TENNIS

Kailua High's Tennis Team had a large turnout this year. A major strength was the attitude of the players and their strategies, during playing, reflected this positive approach to play. Overall the team was inexperienced, but this tended to be a building year. Next year should look good with many more experienced players returning.

Kailua High School's Varsity Baseball team fared well this year. The team had a good attitude and morale throughout the season. There were three starting seniors (Richard Orgeles, Tony Shishido and David Hironaka) who were returnees from last year. The major nucleus of the team were the juniors. A problem this season was not enough players to fill needed positions and not enough to switch from one position to another when needed. Prospects look better for next year when the juniors from this year return with needed experience

J.V. BASEBALL

Kailua's Junior Varsity Baseball team had a rough season and the results weren't too good. Rainy weather and a 3 game a week schedule took its toll as Kailua won only 1 regular season game. Mr. Ah Chong Goo, the coach, hopes for a better showing during the 1979-80 season

PADDLING

Each Saturday from November to March at 9 00 a.m. Kailua's paddling team, under the direction of Henry Palikiko, meets at Ke'ehi Lagoon, Waimanalo, Waikiki, Kalahele or Kailua beaches for the weekly regatta. Behind each meet there are at least 15 hours of practice for Kailua every afternoon from 4-7 p.m. at Kailua Beach Canal. This is the second year of membership in the Na Opio Canoe Association. The club this year has 68 members making up 10 crews of 6 rowers each. Pinky Winchester again acts as president of the club. Summing up the thoughts of many paddlers Melita Pedrina, a Kailua junior, says, "paddling's good fun and you meet a lot of people from different schools."

Clockwise from right: Nader Lee (assistant coach), Pinky Winchester (president) and Henry Paliko (head coach), crews prepare for a race at Kailua Beach. Kailua's team out in front - a fine rhythm is shown by Kailua's paddlers.

BOWLING

The overall impression of this year's bowlers was a good one. They were a young team and they improved very much from the beginning of the season. They played well but a lot of other teams were more experienced. Since there were a lot of young bowlers, the team should be improving more in the coming years. A major weakness they had was the lack of Saturday tournaments. Outstanding players for the year were Dean Yamamoto and Terry Miller. Prospects for next year will be good.

UPWARD BOUND

Upward Bound helps high school students from families meeting low income criteria, as established by the United States Commissioner of Education, to develop the skills and motivation necessary for success in college.

Upward Bound students are admitted after completion of their sophomore year. The program is conducted during the summer as well as during the academic year. Participants generally live on the University of Hawaii campus during the summer sessions and take part in a variety of academic, social and cultural activities. They continue Upward Bound activities during the academic year and also receive help with their ongoing school work.
